Re: EPA 2001 Hazardous Waste Report

Dear Ms Koesterer:

Due to mercury containing lamps (hazardous waste lamps) being considered to be a Universal Waste under RCRA as of January 6, 2000; A-TEC Recycling, Inc. will no longer be submitting a Hazardous Waste Report.

Please be advised that under separate cover A-TEC Recycling, Inc. has submitted to EPA Region 7 a request to change our generator status from Large Quantity Generator to that of Large Quantity Handler of Universal Waste using EPA Form 8700-12.

If we may answer questions or be of assistance to you, please contact me personally at 800-798-1704.

Sincerely,

Susan Stitzell
